BOARD OF ASSISTANT ALDERMEN .- The minutes of the last meeting were read and approved. PETITIONS PRESENTED AND REFERRED .- Of 106 tax-paying citizens, against the proposed method of cleaning the streets by contract. Of Isaac Haight, for compensation for services done as a watchman. Of Geo. A. Wilkes, for cerrection of tax. Of the Mechanics' Bank, for relief under the act relative to Corporations.

REPORTS -Of the Committee to whom was referred the causes of the burning of the Cupola, &c. on the 18th Nov. They state that they have had many meetings, and examined a number of witnesses on the subject; that the knife with which Colt commit ed sulcide must have been conveyed to him on the day of his death, but by whom the Committee were unable to ascertain; that the stove in the Copola was of the ordinary sugar loaf style, with considerable length of pipe, which projected from the roof. The stove was placed very near the side of the Capola, and the conflagration was caused by too large a fire being made in it by the persons in charge, and their neglect in attending to it they being down in the yard for the purpose of witnessing the execution of Colt. The Committee recommend the dismissal of James H. Atkins and James Shaw, the parties in question who had charge of the Capola. No other facts were elicited from the Committee except those already before the public. They also mention the attempt to bribe the Sheriff, his Deputies, the Deputy Keeper of the Prison, ke, and the full identification of the body of Colt. Repor

Report in faver of paying Edward Donnelly the amount claimed for settlement of contract. Adopted. Against the petition of Martin Beebee to build boat house or shop foot of Grand-st. Adopted. In favor of flagging a portion of 20th street. Adopted.

An invitation was received from the Union Benevolent Journeymen Tailors, to attend their ball on the 28th inst.

A communication was received from the Corporation Attorney, relative to a number of suits commenced and fines imposed for violations of Corporation ordinances. Laid or the table. Communication from the Comptroller, asking for a tem

porary appropriation for the year 1848. Referred. Quarterly statement from the President of the Croto-Aqueduct Board of receipts and expenditures. Laid on

the table. PAPERS FROM THE OTHER BOARD .- Report of Committee for cleaning streets by contract. Laid on the table.

THE MARKET LAW .- Document No. 50, being the ordinance as passed by the other Board, was called up for cousideration. A motion to lay the ordinance on the table, for the purpose of offering a resolution to submit the whole matter to the people at the next Charter Election, was, after a long debate, decided in the negative. The resolution proposed to have each elector vote for or against meat being sold in places other than the public Markets. A protracted debate took place in regard to various amendments of the first section, pending which, a motion to lay the ordinance on the table was lost.

Section 1st was then adopted. As amended, it opens the sale of fresh meats, &c. at all Markets (the word 'public' being stricken out or the ordinance) other than the present public Markets. The Mayor to grant the license, under the recommendation of the Market Committee. Section 2d was passed, which establishes the license for

opening Markets, other than the present public Markets, at \$10 per anoum; the person so applying to be an actual resident of the City, and of the age of 21 years.

Section 3d imposes a penalty of \$50 for either killing of dressing fresh meat on said licensed premises, and likewise a furfaiture of license. Adopted.

Section 4th.- Each Market to contain a senled scale-beam and weights, and a sign with the name of the owner or occupant, under penalty of \$20. Adopted. Refore the ordinance was farther progressed in the Board

COUNTY COURT .- Trial of Justice Parker concluded .- The Court met, pursuant to adjournment, and was addressed for several hours-by Mr. Lord on behalf of the accused, and by Mr. O'Connor for the people. Both thes gentlemen exerted their well-known ability to the uttermost Mr. L. contended that nothing had Geen shown identifying Mr Parker with the introduction of vagrants into the City illegally to vote. Mr. O'Connor, on the other hand, strongly urged, from the law and the facts in the case, that Mr. Paker had been cognizant to the infamous transaction. Of the 71 persons brought down on the night previous to the election, 59 had been discharged by the three Magistrates, an a portion of them by Mr. Parker individually. He cor

tended that the charges had been fully proved, and called upon the Court to pronounce a decision to that effect. At the conclusion of bis argument, the Court adjourned to Wednesday, at 9 o'clock, when a judgement will be ren-

MONEY MARKET.

Commercial and Money Matters. TUESDAY, P. M. The transactions at the Brokers' board were limited to day and the changes, excepting in Mohawk, were imma

terial. Mohawa recovered considerably from its declin having improved 14 per cent; Harlem heavy. In State Stocks the principal sale was 17,000 Ohio Sixes at 70, an unprovement of 1 per cent; Kentucky Sixes sold

at 80, an advance of 11 per cent. In Foreign Bills there is nothing doing. The rates are nominally 6 a 64; France 5 45 a 5 434.

Markets-Carefully reported for The Tribune. TUESDAY P. M.

ASHES-We hear of no sales to-day of either description in consequence of the high rate at which they are held Buyers are now waiting the advices by the Steamer daily expected. For Pot \$5 75 is asked and some demand \$6 00 Pearls are held at 7 50 and 7 25 was refused for 50 bbls There is not over 100 bbls. in first hands of Pearls.

COTTON-The sales to-day reach between 800 and 1000 bales at rather heavy rates. The sales continue mostly for export. The fair amount of business doing in this staple on the eve of the arrival of a Steamer would seem to indicate that shippers did not anticipate the reception of unfavorable advices. We continue to quote Upland fair 7; New Orleans fair, 74.

FLOUR-The sales continue to be limited to the immedi ate wants of the trade with an appearance of improvement in price. The expectation of large receipts before spring from New Orleans and the supplies of low-priced Southern which are coming in more freely, tend to prevent any im provement which the comparatively small stock here would no doubt but for these circumstances produce. We quote Genesce, \$4 75 a 4 871 with only occasional small lots to be had at the lower rate. Michigan and Ohio, 4 75 a 4 811 Troy nominal, 4 874. The stock of Flour at Buffalo is about 42,700 bb s. Wheat 28,000 bushels, making with retail stocks, &c. an aggregate of 50,000 bbis. a much larger stock than ever before known there. The quantity frozen in, along the canal is estimated at 120,000 bbis. In 1834-6 it was 150,000 do. GRIAN-We hear of no sales of Wheat to day. The last sale was at 92. Corn is not very plenty, but there does not appear to be any demand of consequence. We notice sales f 900 bushels new Northern at 50, weight, and 500 do new Virginia at 48, measure; old Northern is held at 54, weight, and 58 measure, with small sales. Rye is plenty and gene rully held for prices much above present rates. We notice sales of 1000 bushels at 56, in the slip. Barley is very dullonly one or two lots offering. RELIEF FOR THE SICK,

Dr. Rush's Infallible Health Pills .-The great favor which this valuable medicine has gained during the few months it has been made known to the publie, has proved beyond all question its claim to superior efficacy in the alleviation and cure of the numerous complaints which are common to mankind. We assure those who are afflicted that they need but try a single box to be convinced that this is no humbug preparation-even were not the name of the immortal inventor a sufficient guarantee for its genuineness and merit. In all bilious and liver complaints, plearisy, indigestion or costiveness, heartbarn, piles, headache, erysipelas and other diseases of the skin, debility, all complaints incident to females, the HEALTH PILLS have never yet failed to effect a cure. We are constantly receiving testimonials of the most extraordinary cures effected by this medicine. Read the following CURE OF LIVER COMPLAINT.

NEW-YORK, Nov. 8, 1842. Mr. H. G. DAGGEES: Sir-Injustice to the efficacacy of Dr. Rush's Infallible Health Pills, one box only of which I purchased from you, I deem it but right to inform you of their surprising effects in restoring me to health. For the last two months I was disabled from my emoloyment, tried numerous advertised remedies, was treated in the General Hospital without any success, and finally adopted Dr. RUSH's PILLS. Their effect was immediately evident-infusiog vigor and health through my frame, relieving a constant pain in my side and deep oppression, promoting sleep, creating an appetite for food, and altogether invigorating a frame that was rapidly sinking into decay. I therefore deem it a duty I owe, not only to the public, but yourself, to publish the above testimony, which I have corroborated with a conscientious affi-davit of the truth thereof.
